THE BIG DATES

A LITTLE MORE ON THE BIG DATES.

THE US OPEN · NEW YORK

SECOND WEEK AT FLUSHING MEADOWS.

The season's last major runs through September 13 — the women's final lands Saturday the 12th, the men's final Sunday the 13th. Carlos Alcaraz arrived as defending champion, Aryna Sabalenka is chasing a third straight title, and with Jannik Sinner out injured, the draw is wide open.

THE DEFENDERS Carlos Alcaraz and two-time champion Aryna Sabalenka came in with titles to protect.

THE AMERICANS Taylor Fritz, Ben Shelton and Frances Tiafoe are chasing the first American men's title in 23 years; Coco Gauff, Jessica Pegula and Amanda Anisimova carry the home half of the women's draw.

THE VETERANS Novak Djokovic and 2021 champion Daniil Medvedev headline the old guard in the field — box-office names in any session, day or night.

THE THREE-PEAT CHASE · DODGERS

FIVE HOME SERIES LEFT BEFORE OCTOBER.

The back-to-back champions are chasing something no National League team has ever done — a third straight title — with Shohei Ohtani leading the way: the player most often measured against Babe Ruth, and by some accounts, Bullet Rogan, the Kansas City Monarchs ace who pitched and hit at a Hall of Fame level in the Negro Leagues. The regular season closes September 27. Five series left, one shot at history.

UNIQLO FIELD AT DODGER STADIUM · SEP 1-24

TWO-NIGHT FORUM RUN · CHARLI XCX

BRAT ARRIVES WITH THREE GRAMMYS BEHIND IT.

Brat summer wasn't a moment — it was a coronation. Charli xcx spent 2024 rewriting what a pop record could sound like, and the Grammys caught up in February with three wins, including Best Dance/Electronic Album. The Forum dates are the victory lap: two nights, one week.

KIA FORUM · OCT 17-18

LOS ANGELES ORIGIN · METALLICA

THE SPHERE RUN LOOPS BACK TO A 1981 CLASSIFIED AD.

Lars Ulrich placed the ad himself — a drummer looking for musicians into Tygers of Pan Tang, Diamond Head, Iron Maiden. James Hetfield answered, and Metallica was born. Forty-five years later, the band that ad built is spending six months inside the Sphere.

THE SPHERE · 24 DATES

EIGHT WEEKS ON STAGE · SPIRITED AWAY

MIYAZAKI'S WORLD, REBUILT FOR A LIVE STAGE.

No CGI, no shortcuts — puppetry, hand-built sets and a live orchestra playing Joe Hisaishi's score note for note. It's still the only hand-drawn film ever to win the Best Animated Feature Oscar, back in 2003, and now it exists somewhere the screen never could.

AHMANSON · SEP 2-OCT 24

FULL-GROUP RETURN · BTS

THREE STADIUM NIGHTS FOLLOW A 14-TRACK COMEBACK.

Three years is the longest the seven of them have ever been apart — mandatory service, one member after another, until the last of them finished this past June and the group was whole again. ARIRANG is what they made once they were back together: their first album as a full group in three years and nine months, and three weeks at Number One. The SoFi run started last night; three more remain.
